

Work plan 2023

AZYC VISION:

The AZYC will empower and assist Australasian Zionist Youth movements and facilitate inter-movement collaboration, so their members will be active and informed participants within our diverse community.

AZYC GOALS:

Collaboration	Empowerment	Support	Wellbeing
Facilitate movement partnerships via forums for communication and collaboration.	Create confident and proactive community leaders with strong Zionist Jewish identities and connection to Israel.	Provide logistical, advisory and resource aid, represent and liaise with the wider community, and professional development.	Equip and oversee youth movements' protection of the physical, emotional and mental wellbeing of its diverse members.
